- * Price includes: one 7' helical pier, one frost protection sleeve, an adjustable or fixed in-stock bracket, and installation report. Minimum 10 piles IF travel/mobilization is required. Scheduling of multiple jobs together in an area is possible to meet minimum.
- ** Extensions are billed the same for above or below grade use.

NOTES:

- Shipping and travel fees may apply. Call us to discuss.
- A discount of 10% may be eligible on jobs containing 20 or more piers
- 3.5% service charge on all credit card transactions
- Winter installations may not be possible due to excessive seasonal frost
- Larger post and/or helix diameters available on request

CANCELLATION FEES:

- \$1000 (plus expenses) if TMP AK arrives to job and cannot complete job as scheduled for any reason

LAYOUT FEES:

- \$100 small job (5 or fewer piers) from plans
- \$200 larger job (5 or more piers) from plans
- \$100 TMP AK draws full pier layout before scheduled installation date

TRANSPORTATION & ACCESS FEES:

- All Southeast AK transportation and access fees will be quoted
- Access to jobs that are 500+ feet from the road may incur additional charges for equipment mobilization
- \$50 to deploy small ramp set for R2 installation machine
- \$250 additional charge for any project requiring TMP AK to work indoors, on top of a deck or to drill through or under existing framing with clearance of 6' or less
- \$200 minimum welding charge if a second trip is required to weld brackets
